ACADEMIC BACKGROUND

BS Computer Sciences

3.24 CGPA out of 4

NCBA&E University

Lahore 2021 - 2025

KEY SKILLS

I have expertise in manual testing, API testing with Postman, and bug tracking. Skilled in Agile methodologies, regression testing, and user acceptance testing (UAT), I excel in root cause analysis and collaborative problem-solving. A self-learner, I can multitask and handle high workloads efficiently. Proficient in Jira for task management and Confluence for documentation, I ensure seamless workflow and effective knowledge sharing.
